ANTI-TYPHOID CAMPAIGN MEETING WITH SUCCESS

Dr. Knotts Reports Many Taking the Treatment

The fact that 450 people came out last week to get the typhoid treatment is very encouraging and is indicative of the fact that the preliminary educational campaign was entirely worth while. It is strange the difference in the response in different communities. It happens that in the larger communities that very few take advantage of this splendid preventative, Whitmire, Prosperity and Newberry accounting for only about 40 of the total number while at Longshore store 84 are taking the treatment, Little Mountain about 60, and the Brick House, 68. The fact that there seems to be a great deal of this dreadful disease in the county is responsible for some of the responses to the treatment.

Jalapa, Kinards, Helena and Maybinton have been dropped from the schedule as there was little or no response in these communities. Others have been added, however: At Mr. H. L. Booser's house every Wednesday at 3 o'clock; Longshore store every Wednesday at 4 to 5 o'clock; Red Knoll school house every Friday at 12:30; Brick House community at Mr. Wm. Scott's house every Saturday at 4 o'clock.

Dr. Knotts wishes it to be known that any community that desires to have this work done may have it arranged by calling over phone or writing or coming to the office in the Exchange Bank building. Every one should have these preventative inoculations and they may arrange for it later if they choose. Many people have said that as this was their busiest time and that later they would want it.

The county health department is conducting a sanitary survey of the town of Silverstreet together with their anti-typhoid campaign. If this survey results as well as it promises then Silverstreet will soon be classed as one of the healthful communities in the county. Mr. Wise, the sanitary inspector who is personally conducting this survey reports that the citizens of the town are cooperating with him in every detail.

COLONY CHURCH PLANS HOME COMING DAY

Colony church is planning an old folks day, to be held at the church the 5th Sunday of July. It is also our plan to make the day a home coming day for the congregation. We plan an all day service, with an interesting program, and it is hoped not only to have every present member present, but all former members and pastors who once served the congregation. The congregation in her 77 years of history has been the cradle congregation for many members now transferred to other congregations. She has also turned out two distinguished ministers now serving some of the most prominent congregations of the synod. Moreover, several of her former pastors are still living, not only in this state, but in other states as well. To all members and friends of the congregation we say, come back home that day and spend the day with your old spiritual mother.

LYNCHING AVERTED BY GOV. HARVEY

Handled a Delicate Situation in a Skillful Manner

Columbia, June 26.—The story of how Governor Harvey averted what would in all probability have been a lynching came to light here today, and when asked about the matter the governor corroborated the facts. The story is all told, two weeks ago, a sequel to the recent killing at Pontiac, in Richland county, of Clarence King by his wife, Mrs. Aileen King, and the story is full of interest.

A negro woman, who, Mrs. King has stated, had consumed the incest and attention of her husband, to her own embarrassment, for which she shot him, left Richland county and went to her father's home in a little Darlington county town. Two weeks ago a delegation of respected white citizens from the little town called on Governor Harvey and told him they wanted the woman to leave their community. The men told the governor they had told the woman to leave their town and her father had resented the order. The negro parent had secured arms and prepared his home for a fight and was prepared to barricade himself in the house, making it known to the white men of the town that he resented their ordering his daughter away and he proposed to fight for his rights. Feeling in the community was intense, and the governor was told that the situation bordered on an eruption.

The delegation told Governor Harvey that they did not want trouble, but that they proposed to see their original order enforced; that the woman must leave, but that they feared trouble would result, and that while they wanted to prevent bloodshed, they would not detract from their order. The governor told the men he would prevent trouble, if it meant calling the troops.

Governor Harvey says he saw that there would be serious trouble, and he set about to work out a plan. He told the men to go back home and let the matter stand, unaltered, for forty-eight hours.

In the meanwhile Governor Harvey called in a state constable, one with whom he is closely conversant. He laid the matter before him, and the matter was discussed thoroughly. The constable went to Darlington and investigated the situation. The father of the negro woman repeated to him the threat that he would fight to protect his daughter from the white citizens. The constable then consulted the woman. He told her the governor would call out troops, if necessary, to protect her, but that in any event there might be blood shed, possibly the loss of her life. He told her that he might bring her to the penitentiary for safe-keeping, but that she would not want to be lodged in prison, there being no charge against her. He offered to give her safe conduct to the border of the state and finally she agreed to leave. The officer took her to the North Carolina line, and she went on to Virginia.

RURAL CARRIERS SUPPER AT HOTEL NATIONAL

The postmasters and rural letter carriers of the county enjoyed a supper at the Hotel National on Saturday night, the 24th instant. It was the first meeting of the kind ever held in Newberry and was enjoyable and profitable to all. The purpose was to get together and form a Welfare association in compliance with the wishes of Postmaster General Work and the Post Office department. The main object of this organization is to improve the efficiency of the employees, to improve working conditions in each postoffice and to give city and rural patrons the highest degree of service possible.

It was through the efforts of Postmaster A. J. Bowers that the postmasters of the county were brought together in a joint meeting with the rural carriers and the Welfare association organized. During the supper Postmaster Bowers in his usual pleasing manner addressed the meeting, read a tentative constitution and explained the benefits and workings of the proposed Welfare association. After some discussion a motion to organize and elect officers was carried. Those elected to serve on the Welfare council were Postmasters Moody Bedenbaugh, Prosperity, Mr. Berry, Silverstreet, James Graham, Pomaria, and Carriers M. L. Connelly, Chappells, and T. E. Wicker, Newberry.

At the close of the meeting a committee was appointed, consisting of Yancy T. Dickert, T. C. Chalmers and H. O. Stone, to draft resolutions on the death of Warren G. Peterson who served R. F. D. No. 1 out of Newberry well and faithfully for many years.

CLOSE TAB BEING KEPT ON FORMER GERMAN EMPEROR

Wilhelm Being Closely Watched by Dutch Officials and—Plot Uncovered to Free Prisoner

London, June 26.—Apprehension exists in Holland lest Former Kaiser Wilhelm attempt to slip away from Doorn and reenter Germany in the event of a royalist uprising following the assassination of Foreign Minister Rathenau according to the correspondent of the Daily Mail at The Hague.

The writer, however, quotes J. B. Kau, secretary of the Dutch home office as saying that such apprehension is groundless.

"We have no evidence that the Kaiser has any such intention," he said, "and the surveillance maintained around him is so close that it would be impossible for him to get away even if he wished."

Eleven Are Arrested

Berlin, June 26.—Eleven persons alleged to be members of a Bavarian secret organization known as the "council" were arrested yesterday, it was announced by the police today. The police expressed the opinion that this organization which was suspected of playing a prominent part in the murder of Former Minister of Finance Erzberger, was also implicated in the murder of Foreign Minister Rathenau last week.

In addition to these arrests, a prominent monarchist, Col. Zylander, was reported to have been arrested in Munich. General Maerwer, a for-women and monarchists were re-banned frequently denounced in the radical press as a reactionary, was arrested in Dresden, but was subsequently released. Collisions between berg and Friedburg, but without serious casualties.

The political situation throughout Germany continues remarkably calm despite the vehemence of press comments concerning the assassination of Dr. Rathenau. Organized labor's initial contribution in support of the government in its Republican campaign will consist of a 24-hour nation wide general strike, which was proclaimed by the federation of trades unions in sessions at Leipzig. This will involve chiefly industrial workers, although it is planned to include state and municipal transportation lines and other public utilities. The strike is called for tomorrow. The police reported today that Berlin has seldom experienced two nights so quiet as the past two have been. Dr. Rathenau will be given a state funeral tomorrow afternoon. The coffin will first be brought to the Reichstag, and from there it will be taken to the family vault at Oberschoenweide.

After an illness of more than a year, Mrs. Janie E. Wallace, mother of W. A. Wallace, prominent realtor of Greenville, died last night at 11 o'clock in a sanatorium at Charlotte where she was taken recently for treatment under a specialist. It was found that an operation was necessary and this was resorted to in a last effort to save her life. She never rallied from the operation.

Mrs. Wallace was born in Cokesbury in 1848, the daughter of Captain and Mrs. Wm. A. Moore. She graduated from the Greenville Female college and in 1874 was married to Dr. Andrew Wallace of Columbia, and lived in Newberry. From there she moved to Greenville where she had made her home ever since. Her husband, Dr. Wallace, preceded her to the grave several years ago.

The Mollohon ball team will cross bats with the fast Batesburg-Leesville team on the Mollohon ball park, Friday, June 30th, at 5:00 p. m.

Batesburg has a good team and the Mollohon boys will have to keep on their toes to save their scalp.

On Saturday, June 1st, at 4:00 p. m., Greenwood will invade the camp of the Mollohon Club and a lively struggle is expected. Greenwood is an unknown quantity, but the Mollohon bunch is expected to find them out Saturday. The support and presence of all the local ball fans at these two games will be greatly appreciated by the boys. Admission will be, ladies and children, twenty cents, men thirty cents. Everybody is looking forward to July 4th, to see what will be the outcome of the two games between Mollohon and West End. So far these two teams have not played each other this season. Resolution

Whereas, God in His infinite wisdom has seen fit to remove from us our esteemed brother, Warren G. Peterson, and,

Whereas, he was one of the oldest members of our association and was one of the first to get the R. F. D. carriers together early in the beginning of the R. F. D. service to organize our county and state associations and as he was always present, if able, at meetings of rural carriers and took a keen interest in every move for the advancement of the association, and as he served us as state president and county secretary and treasurer, and in other capacities where valuable services were rendered;

Therefore be it resolved that we, the Rural Letter Carriers association of Newberry county do hereby express our deep sorrow and regret at the decease of our beloved friend and brother, and do express our deep sympathy to the bereaved family in this hour of sorrow. We desire that a copy of these resolutions be sent the family, and that they be published in the county papers.

PRINCE OF WALES WELCOMED HOME

Favorite Greeted With Great Warmth As He Returns From Long Trip

London, June 21.—England gave an affectionate and joyous welcome to the Prince of Wales upon his return this afternoon from his third imperial tour of the world. London, which he left eight months ago, greeted him with a fervor and spontaneity befitting a royal ambassador of the empire returning from a series of diplomatic triumphs.

Throughout his half hour ride from Paddington station to Buckingham palace, the prince was proclaimed by jubilant multitudes, who showered upon him salutations of affection and loyalty. Although he had been the recipient of endless stirring ovations on previous occasions the prince was profoundly affected by London's ringing welcome, his pride and gratitude showing through tears of joy.

His reception by London's millions was exceeded in depth and emotion only by the ardent family greeting when he stepped from the train. The king grasped him by both hands and the queen embraced him with motherly affection. Princess Mary, who was married during his absence, discarding stilted royal decorum, threw both arms around him and hugged him. Dowager Queen Alexandra and other relatives then embraced him. The prince's greeting to Viscount Lascelles whom he met for the first time, consisted of a formal handshake, with no effort at conversation.

Observing the prime minister among a group of cabinet members, generals and ambassadors, the prince advanced rapidly and greeted him: "Mr. Lloyd George returned the salutations with vigorous congratulations at the success of the prince's tour."

After the prince had shaken hands with the members of the cabinet and inspected the guards of honor with the king, a choir in the station sang "God Bless the Prince of Wales." The prince then entered an open carriage with the king and his two brothers.

The formal official welcome being ended, it was now the turn for the people's welcome, which came a few minutes later when the prince, seated at the left of his father and opposite the Duke of York and Prince Henry, emerged from the station. Rounds of cheers went up from the thousands who had lined the route to Buckingham palace since early in the morning.

Bronze faced and fresh looking, the prince wore a serious expression at first, but this soon softened into an all engaging smile when the public thundered its welcome. His state landau was followed by a procession of cabinet members, generals, admirals, high colonial officials and his personal entourage in carriages and automobiles. So as to give the public the fullest view of the royal fact there were no troops along the route, but 7,000 policemen preserved order and kept the traffic lines open.

Wheeler-Fant

Dr. J. L. Daniel, with the ring ceremony of the Methodist church, at the residence of the bride's parents, Mr. and Mrs. J. D. Wheeler, on Wednesday evening at 8:15 o'clock, in the presence only of the immediate families, united in wedlock Miss Genia Wheeler and Mr. Metts Fant. The bride and groom left immediately in automobile for Columbia to board a train for Wrightsville Beach.

The Rev. Thomas Rideout, of Aiken, who recently graduated from the seminary at Alexandria, Va., is expected to arrive in Laurens within the next ten days to become rector of the Church of the Epiphany, which has been without a rector since the Rev. Wilmot Holmes resigned in the spring to accept a call to Lexington, N. C. The Episcopal church building is undergoing some repairs and being made very attractive and inviting.

MEXICAN OUTLAWS HOLDING AMERICAN FOR RANSOM

A Bruce Baelaski Now Prisoner in Mexico Where Bandits Are Holding Him

Mexico City, June 26.—Alberto J. Pani, secretary of the foreign affairs, has been officially advised by the American embassy of the kidnapping yesterday of Bruce Bielaski in the state of Morelos and the promise has been given that all possible means will be taken to effect his release.

The other person kidnapped was Manuel Barcone, a Mexican attorney. Mr. Bielaski was chief of the bureau of investigation of the department of justice during the war. It is generally believed that, instead of pursuing the kidnappers to the point of endangering the lives of the captives Mexican federal troops who are searching for the band will enter into negotiations looking towards their release by the payment of all or part of the 10,000 pesos reward demanded.

American Captive

Mexico City, June 26.—A. Bruce Bielaski, chief of the bureau of investigation of the United States department of justice during the war, is being held for ransom by seven bandits, who held up his automobile seven miles west of Cuernavaca, in the state of Morelos, yesterday. Mr. Bielaski, together with his wife, and Mr. and Mrs. Manuel Barcone, of Mexicala, was on the way to view some aztec ruins near the town. The motorists were nearing the Hacienda de San Gabriel, when the bandits suddenly appeared and stopped them at the point of guns. The women were released, but, after robbing them, the bandits took Mr. Bielaski and Barcone with them.

When news reached this city, the American charge d'affaires George T. Summerlin, immediately communicated with the authorities at Cuernavaca as well as getting in touch with the federal government and Secretary of War Serrano ordered the federal troops in the vicinity to start after the bandits.

Mr. Bielaski who is no longer connected with the American government is now vice President of Richmond Levering and Company, which has extensive oil holdings near Mexico City and Tampico. Mr. Barcone is an attorney connected with racing enterprises at Tijuana.

Ask For Release

New York, June 26.—An appeal to the state department asking that formal demand be made at once on Mexico for the release of A. Bruce Bielaski, held for ransom by bandits, was made today by Frank L. Sample, vice president of Richmond Levering and Company, of which Mr. Bielaski is also a vice president and director.

Mr. Sample said the appeal was sent to Secretary Hughes by telegraph. He said his company had received no private advice from Mexico concerning Bielaski's predicament, but that he based his appeal on despatches printed in the newspapers.

DEATH OF INFANT.

Little Mountain, June 24.—Annie Louise Shaaly, the infant daughter of Mr. and Mrs. Elmer L. Shaaly, died at the home of her grandparents, Mr. and Mrs. T. L. Shealy, Friday afternoon. The child was four weeks old and was ill only a few days. The parents and grandparents have the sympathy of the entire community. Mrs. Shaaly has been in America only two years, being a native of South Queensferry, Scotland.

Getting the Word Home

"That was some cut you put in the old gentleman's chin you shaved just now," one barber said to another. "I know it," the second barber said, "but you see it's like this: 'I'm keeping company with his cook, and that was to let her know I'm coming up on Tuesday night. When I cut his upper lip,' he added, 'that means Friday.'"

Vaughn-Pitts

Miss Inez Helen Vaughn of Piedmont and Mr. North S. Pitts, Jr., of Chappells were married at Piedmont Saturday by Rev. N. S. Pitts.
